Bill Simpson came back to work on April 5, 2023. Garbage Truck had to go Tracy and J.J. for repairs, PTO pump and safety switch had to be replaced and hydro pressure had to be reset.

Thanks to Sean Brady and Dave Chapple for their help on April 1st for the Village Cleanup Day.

We have started repairing grass along sidewalks from this winters use of the sidewalk machine. We are also sweeping the streets with the street sweeper.

We took off one set of plows so we could start renting the containers out to Village Residents.

Also removed the No Parking Signs on both sides of Main Street.
