Director attended Mid-York Library System Director Training. There are several online services that will be rolling out shortly. The Mid York Director visited the library, and offered tips on how to increase our sight lines, and make the library more accessible.

The first (90%) construction grant check from New York State Ed. Dept. arrived. H.J. Brandeles has updated the quote, and hopefully will be in contact with a start date.

Weeding of outdated, damaged, and inaccurate materials has commenced. We will be holding a book sale for the items still in decent condition.

New York Mills Elementary School Kindergarten classes visited on a field trip 9/29/23. They toured the library, had a story hour, snack, and received their own Mid-York Library card.
