

PB/ZBA informal meeting – Tuesday, October 29, 2024

Chairman Todd Martin calls the meeting to order at 7:05pm

An informal meeting of the newly formed PB/ZBA Board was held in order for members to meet each other prior to any formal meetings open to the public.

Present: Chair Todd Martin, Jim Bombace, Jackie Wolanin, Steven Collins, Joe Sroka, Tom Wadas, Don Spost and Codes Officer John Constas

Each member introduced themselves, stated if they had any past experience on either of the previous Planning Board or the Zoning Board of Appeals, added any personal information they chose to share and provided contact information.

The past Planning Board had recommended the Village provide a checklist to residence who would need to approach the Planning/Zoning Board. Additionally, Codes officer, John Constas, has obtained an updated ZBA application that has more clarity. Both were welcomed ideas that the board plans to use and move forward with. A future meeting will be planned to prepare the checklist. Members would also like to add a few basic guidelines to the NY Mills website and add an article to the spring newsletter.
