# New York Mills Fire Department

# January 2026 Report

## Alarms

**December: 138**

**Year End: 1233**

## Training

**December: 74.75 hours**

**Year Total: 2602.25 hours**

**(adjusted due to late entries)**

## Personnel

Steve King was voted in as a Support Member.

## Equipment

(Old item) Radios - We still need to purchase digital radios. Oneida County recently decommissioned analog radios on Oct 6 which means the firefighters/EMTs who currently carry those radios and the vehicles that only have analog mobile radios will not be able to contact Fire Control. **STATUS:** We are looking at pricing options.

**(Update) Holmatro tool – We purchased a replacement Holmatro cutter using Fire Department funds. We were contacted by a charitable organization who has offered to reimburse the cost. Details to follow.** The cutter tool was damaged at a recent training session. The manufacturer no longer provides replacement cutting blades for our cutting tool due to its age. **UPDATE:** We attempted to obtain a cutter tool from the Terry Ferrell Fund Foundation, but none were available. Expected cost is about \$6500 for a used cutter.

## Upcoming Events

Blood Drive 1/24 at the firehouse

DECEMBER 2025

Board Meeting Report

HIGHWAY DEPARTMENT

Garbage collected 29.79 ton \$1787.40

Recycle collected 29.41 ton \$0.00

Green waste collected 0.00

Completed Tasks:

- Set up for Christmas on Main Street
- Clean up Christmas on Main Street
- Clean Vehicles
- Grease all equipment
- PLOW

Concerns and Issues:

- Residents and snowplow companies have been plowing and snow blowing snow into the roads. Residents also parking in road while we are out trying to clear roads , some roads are too small to fit the plow through making clearing the roads more difficult
- People putting garbage on top and behind snowbanks  
All garbage and recyclables should be placed at end of shoveled driveway

**Village of New York Mills  
Code / Zoning Enforcement Officer**
