Board Meeting Report  
HIGHWAY DEPARTMENT

Garbage collected 29.79 ton \$1787.40

Recycle collected 29.41 ton \$0.00

Green waste collected 0.00

Completed Tasks:

- Set up for Christmas on Main Street
- Clean up Christmas on Main Street
- Clean Vehicles
- Grease all equipment
- PLOW

Concerns and Issues:

- Residents and snowplow companies have been plowing and snow blowing snow into the roads. Residents also parking in road while we are out trying to clear roads , some roads are too small to fit the plow through making clearing the roads more difficult
- People putting garbage on top and behind snowbanks  
All garbage and recyclables should be placed at end of shoveled driveway

January 2026  
Board Meeting Report  
HIGHWAY DEPARTMENT

Garbage collected 34.65 ton \$2079.00

Recycle collected 23.06 ton \$0.00

- Plowed roads
- Snow removal at fire department, clerks office, senior center
- Wash salt from trucks after every plow
- Grease all equipment
- Cleaned shop

Issues:

- people/ snowplow contractors are still shoveling, plowing, snow blowing snow into the road
- senior center snowplow contractors are making a mess in the back where we have to plow
- residents still putting garbage bags/ recyclable bins on top of snowbanks and in the road which is causing issues when trying to plow these needs to be placed at the bottom of shoveled driveway.
- residents putting out garbage without green tags and at times without green bags.

February 2026  
Board Meeting Report  
HIGHWAY DEPARTMENT

- Inventory has been completed; we are working on reconciling items that were discarded over the years, but never removed from the catalog.
- Our board will be looking at updating a number of policies to address an Amendment of the Regulations of the Commissioner of Education. One policy a month will be updated, and that update will be good for 5 years.
- Please spread the word that the \$1 a bag book sale will continue through March!

Thank you to all of the village staff for the support given to the library.

Respectfully submitted,  
Mary Lourdes M. Heaton

- Inventory has been completed; we are in the process of neatening up the shelves. Please spread the word that the \$1 a bag book sale will continue through March!
- Mid-York has (finally) contracted for a new circulation system. Implementation is slated for April, 2027.
- Three PCs have been replaced (main circ station & 2 mini-PCs for public). The plan is to have all computers updated by the end of 2026.
- I have concerns about the overhang on parking lot door; it seems to be separating from the building. I would appreciate someone taking a look at it.

Thank you to all of the village staff for the support given to the library.

- The director and board have begun to update the bylaws to get ahead of the NYSED mandate (as of 1/1/27) to update all polices every 5 years. The following policies have been updated: Internet & Computer Use, and Meeting Room Use; Collection Development is under review. There are 10 policies to review in all, and we will tackle 1 per month.
- The library will be closed on Heart Run day.
- The parking lot door overhang has been repaired, and looks great! Thank you for addressing this so promptly!

Thank you to all of the village staff for the support given to the library.

## New York Mills Fire Department

January 2026 Report

### Alarms

December: 138

Year End: 1233

### Training

December: 74.75 hours

Year Total: 2602.25 hours  
(adjusted due to late entries)

### Personnel

Steve King was voted in as a Support Member.

### Equipment

(Old item) Radios - We still need to purchase digital radios. Oneida County recently decommissioned analog radios on Oct 6 which means the firefighters/EMTs who currently carry those radios and the vehicles that only have analog mobile radios will not be able to contact Fire Control. **STATUS:** We are looking at pricing options.

**(Update) Holmatro tool – We purchased a replacement Holmatro cutter using Fire Department funds. We were contacted by a charitable organization who has offered to reimburse the cost. Details to follow.** The cutter tool was damaged at a recent training session. The manufacturer no longer provides replacement cutting blades for our cutting tool due to its age. UPDATE: We attempted to obtain a cutter tool from the Terry Ferrell Fund Foundation, but none were available. Expected cost is about \$6500 for a used cutter.
