New York Mills Fire Department

April 2026 Report

Alarms

March: 105

YTD: 288

Training

March: 174 hours

YTD: 457 hours

Personnel

Voted in Caleb Miner as a Junior Firefighter

Equipment

(Old item) Radios - We still need to purchase digital radios. Oneida County recently decommissioned analog radios on Oct 6 which means the firefighters/EMTs who currently carry those radios and the vehicles that only have analog mobile radios will not be able to contact Fire Control. **STATUS:** We are looking at pricing options. Alternate financing was discussed during our budget hearing.

(Od Item) Truck 1 refurbishment – We contacted a repair shop in the Albany area (Bull Dog Inc.) and they had planned to come out and give us a quote. Their trip was cancelled due to the weather and we'll need to reschedule. 4/13 – Still trying to reschedule.

Upcoming Events

EMS Standby for Grateful for Graham Benefit 5/2

Other

- Oneida County Emergency Services relayed a "thank you" note they received from a person who we treated at an EMS call at the Lowes store in New Hartford. Kudos to our crew who went above and beyond the call to treat the patient and provide comfort to her family members!
- NYS Department of Health gave us a passing grade after conducting an inspection of our EMS operation
